For more information or to order, contact your Zoetis or  
Distributor rep or visit [zoetisUS.com/Shop](https://zoetisUS.com/Shop) or call 1-888-ZOETIS-1

**IMPORTANT SAFETY INFORMATION:** Use with caution in dogs with a history of seizures. Simparica Trio contains sarolaner, a member of the isoxazoline class, which has been associated with neurologic adverse reactions including tremors, ataxia, and seizures in dogs with or without a history of neurologic disorders. The safe use of Simparica Trio has not been evaluated in breeding, pregnant, or lactating dogs. The most frequently reported adverse reactions in clinical trials were vomiting and diarrhea. [See full Prescribing Information.](#)

**Terms & Conditions:** To earn a rebate on Simparica Trio (\$225 rebate per 6-dose case), eligible customers must purchase a minimum of 5 cases, any size, mix and match, of Simparica Trio, between August 1-31, 2023 direct through Zoetis or from an authorized Petcare Distributor. The rebate is capped at \$5,000. Rebate is additive on FULL cases of Simparica Trio. Partial cases will not earn any additional rebates. Backorders of Simparica Trio that do not ship during the promotional period, will not earn a rebate. Rebate paid via check at the conclusion of promotion to Zoetis primary account (parent account) and the \$5,000 cap is at the parent account level. Rebate is calculated based on cumulative Simparica Trio purchases (after returns) of the eligible orders placed during the promo timeframe on a parent NARC level. This rebate is in addition to MZR discounts and any corporate account discount where applicable. Zoetis reserves the right to discontinue or change this program at any time.

\*Amblyomma americanum, Amblyomma maculatum, Dermacentor variabilis, Ixodes scapularis, and Rhipicephalus sanguineus.  
¹Immature adult and adult Toxocara canis and adult Toxascaris leonina; L4, immature adult, and adult Ancylostoma caninum and adult Uncinaria stenocephala.
